Glamour is everything

Clothes and jewellery should be startling individual
when you see a woman in my clothes you want to
know more about them to me that is what disting
uishes good designers from bad
designers.

For people who know
me queen there is always
an underlying message
It's usually only the
intellectual ones who
understand what's going
on in what I do.

Unique shade of red and the warmth of subtle print is together an avalanche of beauty.

689-002

looks radiant in both
an elegant drape or
a flirtatious care
less wrap.

Classy and fabulous

Women think of all colors except the absence of color
I have said that black has it all White too Their beauty
is absolute It is the perfect harmony.

Fashion is so close in revealing
a person's inner feelings and
everybody seems to hate to lay
claim to vanity so people tend
to push it away. It's really too
close to the quick of the soul.
