Classic Beauty

Fashion is really about sensuality how a woman feels on the inside in the women used suits with exaggerated shoulders and waists to make a strong impression women are now more comfortable with themselves and their bodies they no longer feel the need to hide behind their clothes.

style

I'm thinking balls are to men
what purses are to women
it's just a little bag but we'd
feel naked in public
without it.

B

While clothes may not make the woman they certainly have a strong effect on her self confidence which i believe does make the woman.
