"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way you live."

"Fashion is part of the daily air and it changes all the time, with all the events.
You can even see the approaching of a revolution in clothes.
You can see and feel everything in clothes."

good balance

"Being well dressed hasn't much to do with having good clothes.
It's a question of good balance and good common sense."

"What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way."

boldness

"I think we all know boldness when we see it
. Nothing makes me smile more than when I see someone being fully themselves
, with their own individual style and character, whatever that is."

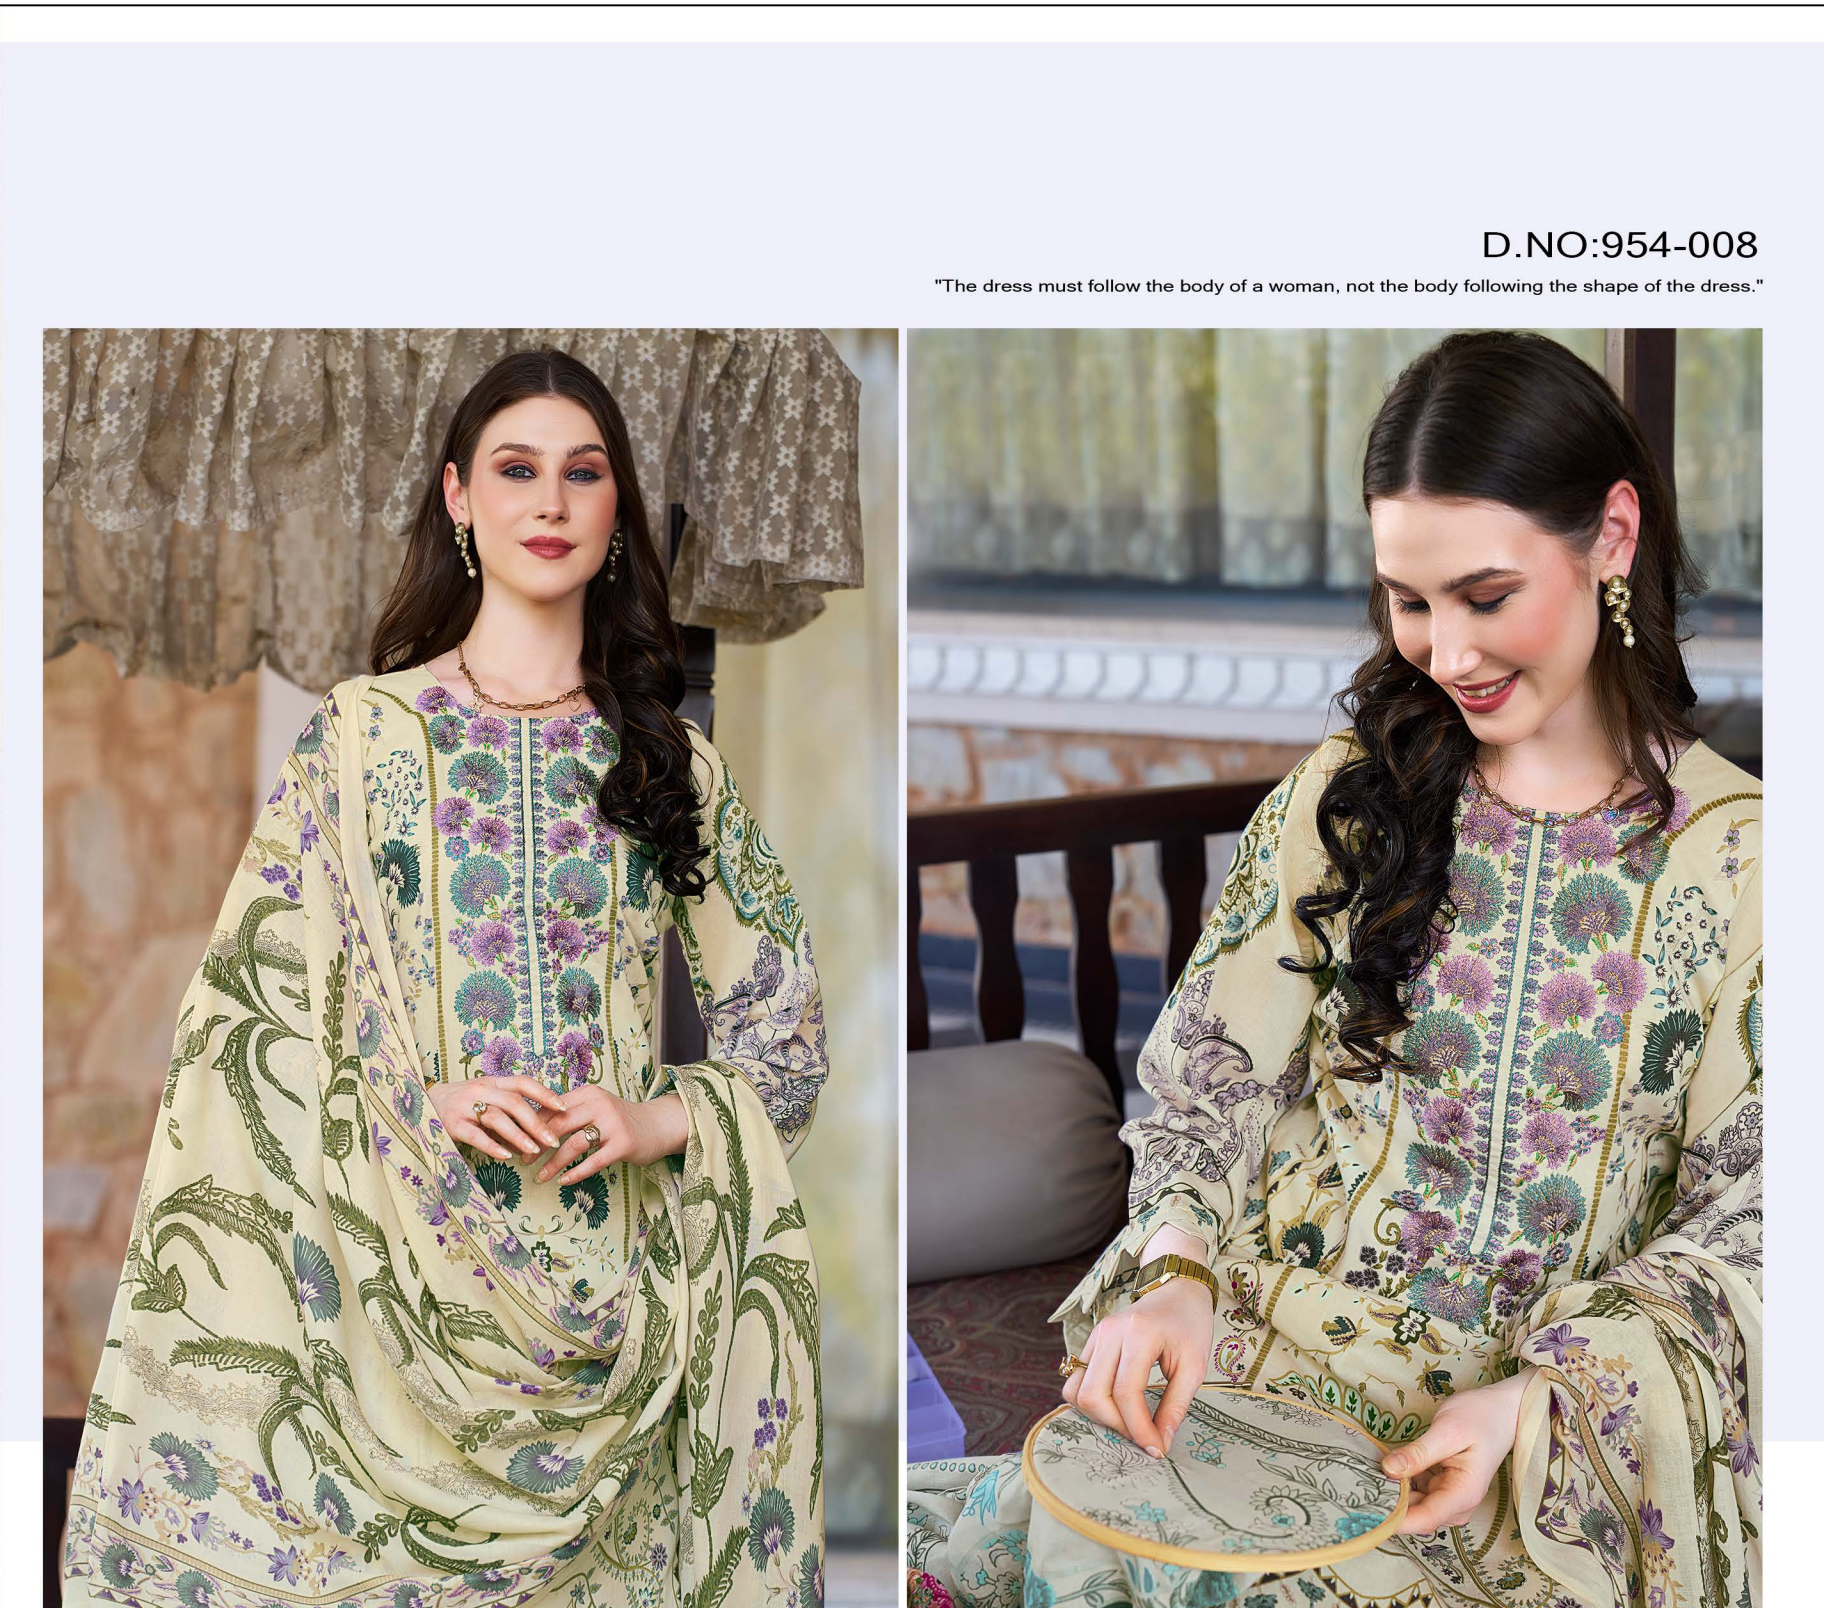

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"The dress must follow the body of a woman, not the body following the shape of the dress."
